To whomsoever it may concern,

This document certifies that Jaahnavi Maheshwari has completed a volunteering session with Project Kridey for 12 weeks (4th November 2023 - 27th January 2024).

Volunteers with Project Kridey coached government school children at a grassroots level to play competitive football. Over the course of the season, Jaahnavi carried out the tasks of training, coaching, mentoring, and advising a group of 12 government school children at her assigned school.

Jaahnavi was responsible for guiding her team at Project Kridey's "Season 1: Pilot" end-of-season tournament that took place on 27th January 2024. Jaahnavi ensured the wellbeing of her team by accompanying them, directing them across the venue, and providing the team with the resources they required. She made it her objective to provide the government school children with the best experience possible through her impeccable knowledge and guidance skills.

Jaahnavi displayed a passion for building a relationship with her team, which was reflected immensely in the feedback sessions that were conducted. She was able to communicate effectively with her team which ensured an enjoyable yet focused atmosphere. She was also cooperative and responsive to all stakeholders involved, including Project Kridey team members, government school teachers, and government school students.

On behalf of Project Kridey, we thank Jaahnavi for her valuable contribution and commitment towards building a strong foundation, and we wish her the best of luck in her future endeavours.
